## *Guest Studio*

*A charming, fully furnished Port Townsend studio with a fantastic water and mountain view*

### **A Vacation Rental**

Watch the eagles soar and ships sail by from this spacious, beautifully decorated studio in the Victorian seaport village of Port Townsend. Sitting high atop Morgan Hill, the studio overlooks Admiralty Inlet offering unobstructed panoramic views of Point Wilson Lighthouse, Admiralty Inlet, Mount Baker, and the Cascade Range.

The newly constructed, second-floor studio matches the 1929 English Tudor style original brick home. The studio features a private entrance and off-street parking. A central courtyard surrounding a four-foot diameter Douglas Fir allows casual sitting and eating while absorbing the spectacular views and Admiralty Inlet shipping activities
