

Thank you for pledging funds to help PTC meet our \$20,000 commitment to the City of Port Angeles to help rebuild the Erickson Park tennis courts into 4 tournament quality courts.

Pledges will be tax deductible. Please do not send funds now, payment instructions will follow after the City Council makes their budget allocations for 2007, sometime after July 1, 2006.

**Also, please attend the Tuesday, June 20<sup>th</sup> public hearing for the proposed 2007 parks projects.** This is our opportunity to demonstrate to the City Council of Port Angeles the commitment, desire and motivation of the tennis community to the Erickson Park court improvements. PTC will be emailing out more information on this public hearing closer to the date, but please put the evening of June 20<sup>th</sup> on your calendar. A strong showing at this meeting is the most important piece of our campaign yet!
